

K-12 Classroom with

- CAT-5e
- 18/2
- AC Line 120 Voltage
- 48-57 VDC Power
- OS₁ Analog motion sensor w/ RJ45-8PIN
- DS₁ Analog daylight sensor w/ RJ45-8PIN
- \$_{LV8} 8 Btn Bela Wall Station engraved
- QDCD 4 CH Dim to Dark DC to DC Driver
- CIO SDCS CIO Controller with I/O
- PP Analog Switch Rated Power Pack w/ RJ45-8PIN
-  LED Troffer - Constant Current; <33W; 180lm/W; max Vf of 33; 1000mA (luminaires wired in parallel)
- Easily add low voltage DC 60W USB outlets for convenient safe charging of phones and computers
 - The system is also UL 924 emergency compliant (see website for more details).

Sustainable | Code Compliant | Less Expensive | Faster Installation | Less Maintenance
